GUARANTEE.

We guarantee every animal of breeding age to be a breeder. Cows well along in calf or with calves at foot show evidence of breeding and no further guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf, but if they do not, after a reasonable trial, they may be returned in as good condition as when bought, and another animal of equal value will be given in exchange, purchaser paying freight. Bulls guaranteed under same terms. Certificate of health furnished for all animals.

INDIVIDUAL MENTION.

For the convenience of the many who are not familiar with our herd, we have prepared individual descriptions which will appear under the printed pedigrees. These are conservative and will, in many cases, contain information which will aid in determining the value of the different lots.

TERMS.

Cash or short time note, bearing seven per cent. If not personally known to us, please bring late bank reference. Sale at farm one mile south of public square. Free conveyance from hotels to farm and return. All stock held during the series of the week and loaded on cars at our expense, but are at purchaser's risk as soon as bid off.

Glenview Dale 3d is a typical Avondale in appearance, with great scale, commanding presence and true Shorthorn character. This is the same concentration of blood which produces Double Dale, and the Strowan Buttercup family has produced some great cattle. They are noted for their milking qualities. The calves which we have by this bull show him to be a sire of more than ordinary worth.

We went to the Carpenter & Ross sale of imported cattle, hoping to secure this bull for our own herd, but found other men with more money, who were there for the same purpose. We did, however, secure his services for a short time and are offering a few cows bred to him. Some of the best cows we are retaining in our herd are bred to his service. An analysis of his pedigree reveals many of the greatest bulls in Great Britain, and we are very confident that he will prove to be a great bull.

Diamond Baron—We are retaining this calf in our herd to follow Village Supreme and Fair Acres Sultan. We are familiar with his ancestors on both sides for several generations and they are real cattle. His dam is an attractive type of brood cow and has been a great producer. Individually Diamond Baron speaks for himself. He is not perfect, but his character, masculinity, evenness and balance combined with rare quality and finish have appealed to us in a way that cannot be denied. He will be seen in his every day clothes as we are not fitting him for show.

Royal Radium is a real herd bull prospect. Many good judges think he should be retained in our herd instead of Diamond Baron. He has the makeup of a breeding bull and bulls are not plentiful that combine such individual merit with the breeding shown in the above pedigree.

Thickset is all that his name implies. His dam is one of the best cows in the herd and her dam is a remarkably thick fleshed heavy bodied cow. This calf is up to the Double Dale standard which is sufficient recommendation for any bull.

We sold a half sister last summer for \$800.00 and she was the dam of Prime Prince that was senior champion at the Portland International last fall. This is a calf of much promise.

Lavender Dale is a white bull of more than average individual merit. His dam is a permanent member of our breeding herd and is a very heavy milker. His grand dam is an exceptionally thick fleshed, smooth cow. With his individual merit, backed by such a pedigree, he cannot fail to be a good breeder.

Violet Flash—The day before the Hallwood dispersion, we selected Hallwood Violet 6th as the most desirable of all the Hall females, to add to our breeding herd. If a good mother is desirable in a herd bull, Violet Flash should suit. He is a little thin in flesh but is thick and deep bodied with an exceptionally mellow hide.

The Secret Family—Was held in great esteem by Mr. Cruickshank and at the time of the dispersion of his herd there were some excellent specimens of this tribe. They descend from the cow Sympathy (by Duke of Athol) a cow bought at Mr. Tanqueray's sale in 1855. Among others she produced two heifers, Splendid and Splendor, which Mr. Sanders says were a robust pair and full of substance and their descendants were retained at Sittyton.

Straight Cruick—As his name indicates, is a pure Cruickshank, and by Violet's Galahad 139816, out of The Queen by the noted prize winner Valley Champion 110477; Queen of Beauty 4th by Imp. Red Emperor 71419; Queen of Beauty 2d by Stanley 21127; Imp. Queen of Beauty by Senator (27441).

Secret Sunrise is a very deep bodied, thick fleshed red cow. Will calve in June to Acanthus Goods 446499, a straight Scotch bull by a son of Diamond Goods.
